

COVID-19

Are you prepared for a vaccine?

Phase-3 trials for a COVID-19 vaccine is ongoing, and chances are that a vaccine hopefully will be ready by the end of the year and we hope to assist in the effort towards recovering from the COVID-19 pandemic.

It is likely that the storage temperature for the vaccine against coronavirus, will fall into one of the following 3 categories - Perhaps we can help support your plans for preparation?

Vestfrost Safe Vaccine Storage
