

CC 48

CAN COOLER

The classic, popular cooler originally developed by Vestfrost Solutions. Transparent and self-closing lid provides easy access to cold drinks at the right temperature – adjustable with the thermostat to suit any drinks and climates. The can cooler is an environmentally friendly option and sound investment due to its very low energy consumption. Take your sales to the streets: Unplug the cooler and the integrated icelining will keep drinks cold up to 12 hours without electricity.
