## Subject of declaration

This Declaration of Conformity covers the adhesive packaging tape identified in Appendix 1.

The packaging consists of adhesive packaging tape intended to close and secure sales packaging during handling, storage, transport and delivery.

|                         |                                               |
|-------------------------|-----------------------------------------------|
| Packaging type          | Adhesive packaging tape / closure component   |
| Packaging category      | Sales packaging / packaging closure component |
| Material                | Adhesive tape                                 |
| Waste collection stream | Residual waste                                |
| Dimensions              | Various dimensions;                           |

## Eco-modulation

The packaging has been classified in accordance with the eco-modulation requirements set out in Annex 14 of Danish Executive Order No. 1146 of 29 September 2025. The classification is shown in the table below.

| Component               | Packaging category                   | Integrated | Separated | Classification |
|-------------------------|--------------------------------------|------------|-----------|----------------|
| Adhesive packaging tape | Material subcategory to be confirmed | X          |           | GREEN          |

## Technical documentation

The technical documentation supporting this Declaration of Conformity has been prepared and is maintained by the manufacturer. It is available to the competent authorities upon justified request.

The documentation demonstrates compliance with the applicable requirements of Regulation (EU) 2025/40, including material composition, restrictions on substances, and, where applicable, the Danish eco-modulation classification.

| PPWR Article                                          | Regulatory assessment basis                                                                                                     | Compliance                                                           |
|-------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------|
| Article 5<br>Substances of Concern                    | Article 5 of Regulation (EU) 2025/40 (PPWR)                                                                                     | Compliant                                                            |
| Article 6<br>Recyclable Packaging                     | Directive 94/62/EC + EN 13430:2004 (until the PPWR delegated acts enter into force)                                             | Compliant                                                            |
| Article 7<br>Minimum Recycled Content                 | Awaiting Commission implementing acts establishing the method for calculating and verifying the percentage of recycled content. | Awaiting harmonized standards                                        |
| Article 8<br>Bio-based feedstock in plastic packaging | Article 8 does not yet contain operational requirements for producers. Awaiting the Commission review of bio-based feedstock.   | Not applicable, as there is no bio-based feedstock in the packaging. |
| Article 9<br>Compostable Packaging                    | EN 13432 is used as guidance until the European standardization organizations develop a new EU-wide standard.                   | Not applicable, as none of the packaging elements are compostable    |
| Article 10<br>Packaging Minimization                  | Directive 94/62/EC + EN 13428:2004 (until the PPWR delegated acts enter into force)                                             | Compliant                                                            |
| Article 11<br>Reusable Packaging                      | Requirements set out in Article 11 of Regulation (EU) 2025/40 (PPWR) (until the PPWR delegated acts enter into force)           | Not applicable, as none of the packaging elements are reusable       |
| Article 12<br>Labelling and Packaging                 | Awaiting Commission implementing acts establishing harmonized labelling.                                                        | Awaiting harmonized standards                                        |

## Obligations

The manufacturer declares that this Declaration of Conformity will be updated if:

- the packaging is modified; or
- new legal requirements become applicable.

The packaging complies with the following applicable legislation:

- Regulation (EU) 2025/40 of the European Parliament and of the Council on packaging and packaging waste (PPWR), to the extent that the relevant requirements are applicable at the time the packaging is placed on the market.
- Danish legislation: Annex 14 of Danish Executive Order No. 1146 of 29 September 2025.
- ESPR-forordningen (EU) 2024/1781
- 94/62/EC (used as the regulatory assessment basis until the relevant PPWR delegated acts and harmonized standards enter into force)
- EN 13428:2004
- EN 13430:2004

This Declaration of Conformity is issued under the sole responsibility of the manufacturer.
